

Visitor Information

Visitors are generally not allowed on board the vessels. To gain authorization to visit a PGM managed vessel, please contact their corporate headquarters at (504) 362-8121.

If authorized to visit the vessels, please be reminded:

- You will be required to comply with all laws and corporate Health, Safety, and Environmental policies.
- You will be required to provide written authorization from PGM to gain access to the vessel.
- You will be required to sign a waiver prior to gaining access to the vessel.
- You will be required to wear proper clothing, including proper footwear while on board the vessel.
- You will be required to refrain from smoking, except in designated areas.
- You will not be allowed to bring alcohol, drugs, guns, or other such items on board the vessels. You will also not be allowed on board the vessel if you are under the influence of alcohol or drugs.

Failure to comply with the above requirements and expectations will result in removal from the vessels, as well as, being denied access to the vessels in the future.
